1. This Office action is in response to the amendment filed 8/17/05. Claims 1-4, 8, and 10-20 have been canceled. Claims 5 and 9 have been amended. Claims 21-27 have been added.

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

3. Claims 5-7, 9, and 21-27 are allowed.

4. The following is an examiner's statement of reasons for allowance:

The previously objected dependent claims have been incorporated into the independent claims, rendering them allowable. Each objected dependent claim presents some type of particular subject matter not found in an easy combination in the prior art, such as determining if the predefined distance has been exceeded by dynamically switching between a plurality of communication modes to reestablish communication between the two devices, and the plurality of wireless devices comprising a group of wireless devices that interact such that the group of wireless devices has a wireless tether therebetween and another wireless tether between the group of devices and another device not part of the group of devices.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
